Education

Southeast University

2021/09 - 2025/09 (Expected)

Ph. D. in Electrical Engineering

Najing, Jiangsu, China

- Dissertation Title: “Multi-physics Analysis and Design of Flat Wire Winding PM machines in Electric Vehicles”

Southeast University

2018/09 - 2021/06

Master in Electrical Engineering

Najing, Jiangsu, China

- Dissertation Title: “Analysis and Design of High-Performance Wound-Excited Magnetic Field Modulation-based Brushless Machines”

Southeast University

2014/09 - 2018/06

B.Eng in Electrical Engineering

Najing, Jiangsu, China

- Dissertation Title: “Comparative Study of Control Systems for PM Machine in Electric Vehicles”

This is a paragraph that begins with two spaces. The function at the beginning adds horizontal space equivalent to two em spaces, which is approximately the width of two spaces in the current font. This allows you to create indentation or spacing at the beginning of your paragraph without relying on literal spaces, which might be collapsed in some contexts.
